We also put reminders and upcoming events on our Facebook page for parents and family to view. If you would prefer us not to place pictures of your child/children on, please let the office know in writing. Please “LIKE” our page.

MY SCHOOL CARD Little Bean have joined the “My School” Fundraising Programme. Please support us by collecting a “My school” form from the office, completing it and returning it. Once you have returned it, we will collect your card for you. All money received will go towards putting artificial grass down on all our playgrounds. Please refer to www.myschool.co.za for a full listing of partners linked. There are over 2 500 partner locations nationwide.

COMMUNICATION BOOKS Although we keep reminding parents to check your child's communication book daily we find that there are children whose communication books are never looked at. Correspondences with forms that need to be returned to the office remain in the book and are not returned as requested. Please read your child's communication book daily. Everything you need to know regarding your child's day will be in there. The communication books are also checked by the teachers daily.

LETTERS FROM OUR TEACHERS

GR000 – TEACHER OLGA

Dear moms and dads,

Wow! Another term done.

We have started the new term and it is definitely going to be a busy one. Lots of learning and lots of fun.

As always we have lots of fun learning activities planned for the month.

During the first week back at school we made a dog. For our theme we discussed different types of pets, their food and how to take care of them.

We are busy practicing for our concert, and I am sure you are all going to love it.

I am looking forward to a wonderful term.

Lots of love,

Teacher Olga xxx

GR00 – TEACHER BIANCA

Dear parents,

I can't believe we are in Term 3. I hope you all had a good break. I am very happy to see my "Fabulous fish" back at school safely.

We have started the hard work already. The "Fish" will be learning about measurable attributes. They are going to be buckling down and mastering the concept of addition and subtraction this month.

In language we will continue through the letterland and also continue revising all the previous letters.

Thank you to all the parents who so generously donated towards Mandela Day

Regards Teacher Bianca .
